Ken Tate Architect

Company Philosophy

For more than 30 years, Ken Tate has designed major residential projects marrying traditional architecture, Old World craftsmanship and materials, and modern luxury. Tate's inventive approach to historic styles and sensitivity to each project's site and spirit yield unique results.

Areas of Expertise/Recent Projects

2010 "Architectural Digest 100" •12,000 s.f. Country French enclave with a turret and multiple courtyards (AD July 2010)
•10,000 s.f. residence in Nashville, TN (2008 Shutze Award) with a Georgian façade, Federal wing, and Colonial vernacular wing
•12,000 s.f. Creole style residence (New Orleans, LA) reviving French and Spanish Colonial styles (AD July 2009)

•Select current projects: A compound on the water in Old Fort, Bahamas, a 12,000s.f. Italian Renaissance villa in New Orleans, a large Greek Revival estate in Mississippi as well as a large family compound for a movie mogul in Louisiana.
