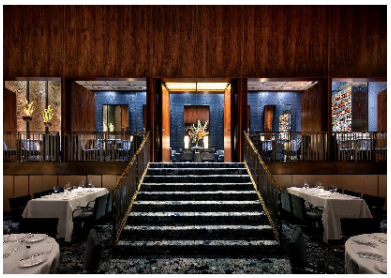
ARCHITECTURAL DIGEST



Liebhaber Company

Company Philosophy

From classic to contemporary, Liebhaber Company renovates prestigious Manhattan addresses for discerning architects, designers, and owners. Liebhaber combines uncompromising quality and workmanship with attentive concierge-like service, to make projects as stress-free as possible, easing the concerns of clients by seamlessly adapting the construction process to meet their particular needs.Clients praise the exquisite quality and careful execution of architectural millwork built by Liebhaber's seasoned craftsmen in their 20,000 SF state-of-the-art millwork shop in Long Island City. And after construction, a fully-staffed service department provides warranty support, general maintenance and small project construction for additional projects requested by clients.With over eighty in-house project managers, craftsmen, and project support staff, Liebhaber offers each client their own dedicated team from the beginning to the end of construction. This ensures one-on-one attention and communication throughout the entire building process.

Areas of Expertise/Recent Projects

Liebhaber Company specializes in luxury residential renovations — townhouses, apartment combinations, lofts, lobbies, and amenity spaces.Projects represent a range of designs and unique construction challenges including: •A complete townhouse renovation with new 3rd. and 4th floor additions at the back of the home. •A penthouse renovation with replacement of the continuous window wall. •A transitional pre-war apartment with high gloss finishes and an epoxy kitchen floor. •A contemporary 3,500 square foot loft space with a custom stained, ultra-smooth finish concrete floor that was cast in a single monolithic pour. •A vintage chic loft with custom copper countertop, leather paneling, and walnut cabinetry. •Luxury lobbies and amenity spaces for Manhattan's pre and post-war co-ops and condos.
