SilverLining Inc.

Company Philosophy

Demonstrating excellence in both service and craftsmanship from its inception, SilverLining Inc was founded in 1987 by President Josh Wiener and has grown to become one of world's largest and most respected general contracting and construction management firms. Specializing in high-end residential projects, from ground-up construction, to renovations, the internationally renowned firm operates in: New York City, Westchester County, Connecticut, Long Island, The Hamptons, and Los Angeles. SilverLining sets its standards high, emphasizing attention to detail, efficiency and flawless execution. Over the past 30+ years, SilverLining has completed more than 3,000 exceptional projects, while working with some of the world's most discerning clients, craftspeople, designers and architects. In addition to their experienced estimating and project management teams, founder Josh Wiener and Partner Joel Arencibia have assembled an elite team of highly trained, in house carpenters, millworkers, and painters, providing expert millwork and finishing services. Their dedication to realizing the creative vision of each client along with their design team has earned SilverLining a reputation for impeccable quality of work, completed in a timely manner.

Areas of Expertise/Recent Projects

SilverLining has completed over 3,000 residential projects, collaborating with NYC's top architects and designers, building homes in Manhattan, Brooklyn, the Hamptons, Westchester and Greenwich. From cost management and scheduling, to expert handling of each project's intricacies, daily challenges are quickly resolved with knowledge and experience. The firm has earned a reputation for maintaining an enjoyable experience for all participants throughout the project and delivering the highest quality final product. With a portfolio that reveals an exceedingly high level of skill and artistry, SilverLining has established a standard of excellence in high-end residential construction that remains unsurpassed.
