

THE MOST COMPREHENSIVE GUIDE TO RESIDENTIAL PROPERTIES IN THE METROPOLITAN AREA

# NEW YORK LIVING™

## The Franklin Report Publishes Its Fourth New York City Edition

The Franklin Report: New York City features profiles, ratings and in-depth client interviews for more than 1,100 companies, including the best interior designers, architects and contractors. The book includes expanded listings in all categories, ranging from the best interior designers, decorators and builders to the most reliable movers, landscape architects and window washers. The Franklin Report: New York City identifies the best in home services, joining editions covering Chicago, Los Angeles and Connecticut/Westchester. As a supplement to the print edition The Franklin Report website offers the latest updates to the book. The website, [www.franklinreport.com](http://www.franklinreport.com) also features a comprehensive library of visual portfolios presenting the work of the top names in home services. You can also log on along with clients

who report on their experiences (both positive and negative).
