

Der Holtzmacher, Ltd.

Company Philosophy

Holtzmacher is a family owned and operated custom woodworking business that services the high-end residential market in Chicago and the surrounding suburbs. We maintain the highest woodworking standards while integrating the latest trends desired in today's custom home design. Your custom woodwork will be built to last a lifetime, a commitment we'll keep throughout every step of its construction.

Areas of Expertise/Recent Projects

Holtzmacher designs and builds custom kitchen and bath cabinetry, architectural millwork, and fine wood furniture. We specialize in custom stained and painted finishes, wood carving, and metalwork. As a member of the Architectural Woodwork Institute, we meet the AWI's standards for Premium Grade cabinetry and millwork. We'll strive to exceed your highest expectations for your custom woodwork.
