Company Philosophy

Welcome to Gray & Walter, we know how important your home is! We create personal spaces that will change your life and delight you for years to come. Our expertise lies in creating stylish and personalized interiors influenced by the geographic location and our client's deepest desires. Great design transforms our environment as well as our lives; our well edited eye allows each project to blend style and function. We assist every client with lifestyle evolution, adapting the interiors to fit our client's journey. The final outcome is stimulating, functional and personal for the client. We are always available to serve our diverse clients wherever they may need us.

Areas of Expertise/Recent Projects

Founded over two decades ago, Gray & Walter is continuing to enjoy the process of making our client's dreams become a reality. We have been praised for our refined understanding of scale, planning, sense of color and textile selection. A founding member of Designer On Call Program, professional member of ASID and professionally licensed. We are the proud recipient of various design awards, featured most recently on NBC Open House as well national and local shelter publications. Crain's Chicago Business voted us one of the top ten interior design firms in Chicago. Recent projects are located in Chicago, California, Texas and NYC.
