Company Philosophy

Whether we're moving an entire house, delivering an antique chandelier, or staging movie sets, Extraordinary Movers has the experience and equipment to ensure that each job receives absolute precaution, as well as the professionalism to see each job done perfectly.

Areas of Expertise/Recent Projects

Its been an amazing first quarter for Extraordinary Movers with our continued work with Disney and Showtime. Along with all the new pilots we joined through our new partnerships with CBS, FOX & NBC. If that wasn't exciting enough, we also teamed up with HBO on 'True Blood'. Everyone at Extraordinary Movers is very honored for the referrals that have been passed from locations departments. We are very appreciative of the compliments we receive on a job well done and we look forward to our continued relationships.
