Richard Holz, Inc.

Company Philosophy

Richard Holz, Inc. takes pride in building superior custom homes for a respected list of discerning owners, builders and architects in Southern California.

The RHI focus on quality, detail and streamlined management systems has placed them in the forefront of the custom residential construction industry. By utilizing selective project procedures, RHI is able to provide a smooth and professional process for all participants from pre-construction to project conclusion.

Rick Holz, RHI founder and president, received his degree in Architecture from the University of Southern California in 1968. He became a licensed Architect and Contractor in the early 1970s, thus combining education and skills to create a highly regarded position in the Southern California construction and architectural community as a builder of fine, custom homes. His reputation is one of professionalism, integrity and personal service.

Areas of Expertise/Recent Projects

RHI has been building quality, custom estates since 1985 in Beverly Hills, Bel Air, Brentwood, Pacific Palisades, Malibu, Santa Barbara and Montecito. Its staff is comprised of experienced project managers and superintendents who serve each RHI client with dedicated professionalism, personal attention and discretion.
