Company Philosophy

Since 1976 Wetzel and Sons has been a family owned and operated company that is dedicated to your satisfaction. We've earned a reputation of integrity and high standards by providing an unmatched level of customer attention to all of our clients. We take pride in our ability to successfully and safely move high value products, whether it's across the street or across the state. We are a full service moving and storage firm specializing in large residential and office moves, as well as offering pickup and delivery services for high value items.

Areas of Expertise/Recent Projects

Along with our moving and delivery services, we offer a parallel storage service. This is a specialized service for the safe, secure and worry free storage of valuable furniture, art, antiques and personal effects. Items are stored in specifically constructed storage vaults, providing a secure, dust free environment for short and long term storage. We offer storage for complete households to single pieces.
