Company Philosophy

"My mission is to deliver a project that is so strong, so timeless, it will be there forever." – Peter Vracko

Areas of Expertise/Recent Projects

Thoughtful and Innovative Home, Restaurant, Bar and Retail Design.

 Specializing in providing unique, creative and aesthetic solutions for Residential and Commercial projects.

 We are a full service Design Firm and General Contractor offering the highest quality service for structural design, construction management and contract administration. We create long term relationships with our clients, sub-contractors, supply vendors and employees. We strive for quality, timely schedules and safety.

 Vracko Design and Construction's projects include remodels and restorations of mid-century modern architecture, historical restorations, as well as commercial remodels and tenant improvements. Projects are completed on a timely basis and our firm prides itself on "one on one" customer service. Our firm works mainly in West Hollywood, Hollywood and surrounding areas.

 We are proud to have recently completed the historic Mother Lode, West Hollywood's oldest gay bar located at 8944 Santa Monica Blvd.
