Company Philosophy

Fairfax & Sammons is a firm committed to architecture of both tradition and innovation. Drawing inspiration from the wellspring of classical traditions, the company has developed a body of work that reflects the theories of proportion and order which have been passed down through scholarship and practice for generations. At once beautiful and practical, this traditional design offers solutions to contemporary issues in architecture today.

Areas of Expertise/Recent Projects

- New stone Federal Style House, 12,000 sq. ft., Upstate NY
- Renovations to Farmhouse, Middleburg, VA
