Paula McDonald Design Build & Interiors

Company Philosophy

Paula's design philosophy is elegant simplicity – for any lifestyle, any budget, and any period. Founded in the practical, functional, and lived in spatial concepts. Her creativity and talent is grounded in passion, innovation, context and experience. Clean lines and contemporary sensibilities combined with the client's vision and selection of sophisticated materials result in warm, inviting spaces of peaceful tranquility.

Areas of Expertise/Recent Projects

We bring concept and vision to life through the complete design, management and execution of residential and light commercial projects. We simplify the complex and difficult building/renovating experience through seamless integration of the process. The result is a complete solution for your needs. We provide design, sourcing, expediting, general contracting, and project management services with rapid production time lines that exceed our clients' expectations. Our business is completely referral based. Recent projects include uptown prewar classic 6/7 room residence renovations including 15 Landmark window replacements, and modern 2 BR, 2Bath complete Duplex renovation downtown NYC.
