Dr. Betsy Levy

Company Philosophy

To work with patients towards resolution of issues in a professional yet compassionate environment.

Areas of Expertise/Recent Projects

Dr. Levy's practice includes children, adults and couples. She specializes in young adults aged 15 to 35 years old facing major life transitions through their development years. Other areas of expertise include identity and self-esteem issues, anxiety disorders, depression, mood disorders and reproductive infertility situations. Dr. Levy is regularly featured in the media. She is a psychological consultant for NBC, was recently interview for MORE magazine, and appeared on a show with Martha Stewart discussing the "Psychology of Color".
