Company Philosophy

Since 1998 our mission has been to change the way people often perceived the home improvement experience, to minimize the inconvenience and the uncertainty, and achieve excellence throughout the process.

Areas of Expertise/Recent Projects

Our local CertaPro Painters has completed hundreds of house painting and deck staining projects throughout Westchester, Putnam, New York City and Southern Connecticut. Please ask us about references. We work hand in hand with many designers to help insure that the colors and design vision is translated to your complete satisfaction. If you don't have a designer we offer free color consultations. We also supply a two year warranty on all horizontally painted or stained surfaces.
