Turner & Turner Painting

Company Philosophy

I consider it a privilege to be invited into a home to do my part to create the environmentthat will be so important to the family living there . Although I have been doing this workfor so many years ,it has always been an enjoyable and creative process. The greatest rewardfor me is to help a designer achieve their vision and exceed their clients expectations.Each project offers the opportunity for that rewarding process to begin anew.

Areas of Expertise/Recent Projects

For over 20 years, Mark Turner and his team have been doing high quality painting work in and around New York City. Apart from fine painting work, they offer all types of creative finishes, wallpaper installation, faux bois, wood finishes, venetian stucco, murals and gilding. We most recently worked on the Westchester Designer Show house in Bedford Corners NY, installed hand-painted Mural wallpaper on Park Avenue, and are presently busy producing hand-painted wallpaper and custom finishes for upcoming projects.
