Company Philosophy

As a full-service design-build, general contracting and construction management company we offer clients our expertise in every phase of the building process. Our qualified team of designers and construction managers help meet individual client needs with unique solutions and reliable professionalism.

Areas of Expertise/Recent Projects

Tecny Group is a New York City based firm with a diverse portfolio of residential, commercial and retail projects in New York City, the Tri-State area and Pennsylvania as well as other location in the US, Europe and Asia.
Luxury and elegance are embodied throughout the design from traditional townhouses to modern clean line apartments. Our work is always completed with attention to detail, skilled craftsmanship and the highest quality materials.
