MIR Hardwood Design, Inc.

Company Philosophy

“A company big enough to take over the biggest and most complex projects and, at the same time, boutique enough to take personal care of each client’s needs.”

Areas of Expertise/Recent Projects

Operating since 1946, MIR has built an unparalleled reputation as the absolute best in its class. Our refined craftsmanship and highest quality lumber has secured our company the most prestigious clientele in the Los Angeles area including high-profile actors, movie producers, art collectors, designers, and architects. MIR’s award-winning work can be found in residential estates in Malibu, Bel Air, Beverly Hills, and Pacific Palisades, as well as in luxury hotels such as the Wynn, the Venetian, and Bellagio in Las Vegas. Projects have been featured in a number of esteemed publications such as Architectural Digest, Interior Design Magazine, and Elle Décor.
