Company Philosophy

Serving New York residents since 1992, Knockout Renovation is an all-in-one design, products and remodeling company specializing in mid to high-end co-op, condo and brownstone renovations. Making a renovation as simple and easy as possible for clients, they design new home interiors, shop with their clients, guide them through the multitude of product and color choices available to create beautiful new home interiors that are ideally suited to each client's needs & style. They go to great lengths to save homeowners time & effort including processing any necessary paperwork and permits to coordinating movers for major renovations. They do a thorough cleaning at the end of each project leaving clients with a beautiful new home that is ready to enjoy.
The successful integration of design, aesthetics (colors, etc) and products (appliances, cabinets, etc) require skilled people and a well-organized approach to each phase of the process. Knockout takes great pride in the talented group of designers, architects, craftspeople and staff that comprise its team. Knockout sells many of the best-known product lines of quality cabinets, tile, plumbing fixtures, appliances, furniture and more.
