# Williams Brothers Painting & Decorating

## Company Philosophy

Williams Brothers Painting & Decorating specializes in fine interior painting and finishing. For 25 years we have been bringing quality work to the high-end residential market. With an attention to detail and experienced painting staff we can offer the customer a high quality finish. Interior painting of Manhattan apartments and brownstones as well as homes in Connecticut, Long Island, and New Jersey. Our projects range from one room to 16,000 square foot homes.

## Areas of Expertise/Recent Projects

Our staff also includes experienced wallpaper hangers. We install Grass cloth, English paper, Silks, Bark, Fabric, and Foil. Prior to hanging your selected wall covering we make sure that the area is up to our high standards and to the manufacturers specifications. We insure a high quality application and when you decide to redecorate, easy removal.
