PKSB Architects

Company Philosophy

PKSB's work is defined by a commitment to architecture that blends artistry, craft, and pragmatism. The firm's strength lies in its ability to create solutions that respond to the unique aspects of each client, program, and location.

Areas of Expertise/Recent Projects

PKSB's expertise covers a wide range of project types. Currently, the firm is actively working on several multi-family luxury residential conversions and additions in New York City and single-family residential new construction in New York state and Connecticut.
