Company Philosophy

Howard's Upholstery & Decorating, located in Brooklyn, New York, has been responsible for beautiful homes since 1960.

Whether you are shopping for custom upholstery, slip covers, draperies or bedding, Howard's can help you achieve the home you want.

Howard's can also solve your decorating problems with custom-made furniture as well as refinishing your favorite heirlooms for today's look!

We all have pieces of furniture that have a special meaning to us, but may be in rough shape from wear and tear throughout the years. The last choice we want to make is whether to throw it away or not and Howard's Reupholstery Inc. is exactly what you've been looking for. We are a premier NY furniture reupholstery company looking to help bring the life, color and comfort back into your furniture.

We cater to the Boroughs of New York City, specifically Brooklyn. Our New York furniture restoration services are like no other. We can take an old piece of furniture and make it look brand new with new colors, patterns and even textures. We have custom furniture reupholstery that will bring life back to your house with "new" furniture after we've completed our restoration.

Some of the services we provide for furniture restoration are custom slipcovers, custom sofa slipcovers and refinishing table pads. If you're looking to re-decorate your house or a particular room and feel that your furniture doesn't fit with the new style, give Howard's Reupholstery Inc. today. We will set up a consultation to discuss how our NYC furniture repair and reupholstery services can suit all of your needs.
