Company Philosophy

Euro Custom Woodworking, with over 20 years of experience, provides in-house CAD drawings, fabrication, finishing and installation of cabinets to GC's, builders, architects, and designers with high-end residential projects.

Areas of Expertise/Recent Projects

We designed, fabricated, and installed custom cabinetry in Manhattan, Bedford Hills, Greenwich and New Canaan CT, in Hamptons and Great Neck LI.
Recently we completed fabrication and installation of high-quality millwork in new houses in Wainscott LI, Bridgehampton, Easthampton, and renovated a modern house on Shelter Island. We also completed projects in two apartments on Central Park West in Manhattan.
At this time we are working on a new project in a 4000 SF residence at Park Avenue and 4500 SF UES Residence with professional recording studio room.
