Dean Fine Building LLC

Company Philosophy

Dean fine Building LLC founded by Joel Dean is a company specializing in high end interiors and custom architectural millwork for residential and commercial projects. Their team of professionals is committed to delivering excellent quality, maintaining high standards, and providing personalized customer service. Principle Joel Dean is closely involved in the details of every project drawing upon a foundation of solid skills and knowledge regarding the various trades required to complete a project, and utilizes those skills to closely coordinate the execution of a design with their team of dedicated managers and contractors. DFB recognizes the importance of clear communication and has a proven record of exceeding the expectations of their clients and design collaborators.
