### Company Philosophy

Polyphase Electric, Inc. is a non-union, professional electrical contracting firm that has served NYC and its surrounding areas since 1986, providing all types of lighting and wiring services for both commercial and residential properties. Decades of experience working with a broad range of clients have given us the expertise to handle even the most difficult and sensitive of jobs, all while troubleshooting problems and maintaining city codes and regulations. Throughout the years, we've been involved in hundreds of large-scale projects with varying scope, from gut renovating brownstones on the Upper East Side to LED retrofitting TriBeCa lofts.

### Areas of Expertise/Recent Projects

We've been involved in hundreds of projects of various scale throughout Manhattan and the NYC area - see above images for just a few examples.
