

Elite Group

Company Philosophy

Based in New York City, United Elite Group, Inc. has earned a reputation as a high quality, competitive firm that completes projects on time and within budget. The company's diverse portfolio includes new construction, state-of-the-art renovation and historic restoration.

United Elite Group offers a full range of project planning, construction management and general construction services. All of United Elite Group's technicians and trades are fully licensed and insured.

Incorporating the highest quality materials and state-of-the-art construction techniques in conjunction with superior project coordination and construction supervision, United Elite Group sees a project through from conception to completion paying rigorous attention to project details while maintaining our impeccable safety and quality assurance record. Our clientele can be assured of this because our workers are highly skilled professionals who are recognized artisans in their trades.
