Classic Sofa Of NY

Company Philosophy

For over thirty years Classic Sofa of NY has manufactured benchmade bespoke upholstered furniture from overstuffed traditional English styles to clean-lined contemporary designs.
Like couture for the home, each piece is hand-made by master craftsmen promising a one of a kind finished product. Project production lead-time averages three weeks after the arrival of fabric and we also offer expediting services to meet any project deadline.
We understand that each project is unique and with over 30 years as a professional bespoke furniture manufacturer, we promise to create a perfect piece for your home or business.
Classic Sofa of NY offers the pinnacle in bench made custom upholstered furniture. All projects are made of hardwood poplar or maple using “old world manufacturing” methods such as dowel joints providing a lifetime guarantee for all furniture frames. Our seat cushions are made with a 50% polyurethane foam core wrapped in a down & feather combination and back cushions are made of pure down & feathers with hand sewn baffling. Clients have the option of plush, classic or firm seating. If you have searched high and low for upholstered furniture of unmatched quality and comfort with reliable lead times then Classic Sofa is the answer.
As winners of the Zagat Survey for New York Shopping, we can create your dream furniture today.Although we have an extensive catalog to choose styles from, if you do not see the exact design you are looking for, then please email us a picture of your favorite sofa style and we will turn your ideas into reality!
