MLK Studio Inc.

Company Philosophy

MLK Studio, an international interior design firm, offers acclaimed interior design and superiorclient centric services in the development of luxury private residences and inspiring commercialand retail projects. Meg Joannides, principal of MLK Studio, has pioneered a clean, modern andunique style that harmonizes our interiors with forward thinking architecture.Our aesthetic, current works and business practices are a product of Meg's many years ofcorporate experience and exposure to international design and architecture. Meg holds adegree in interior design from the renowned San Francisco based Fashion Institute of Design andMerchandising where she received a merit scholarship and graduated cum laude. Aftergraduation, she gained experience in high-end residential design and retail store planningthroughout Europe, Eastern Europe and Asia. In 2001, Meg established MLK Studio in LosAngeles.The Studio's work has been published in Interior Design Magazine, Architectural Digest-Russia,Interiors, LUXE Interiors & Design, California Homes, House and Garden, Vogue Living Australia, aswell as several other national and international design publications and blogs.The Studio won Interior Design Magazine's Best of the Year 2010 award for "Best Residence."
