Sagebrush Painting Co.

Company Philosophy

We provide comprehensive plastering and painting services and work with general contractors, architects and designers to bring their visions of fine Manhattan residences to completion. We take pride in our craftmanship, quality and professional service. Our focus is attention to detail and adherence to design, budget and deadline.
Services include: General painting, hand brushed high gloss finishes, metallic finishes and spraying. Wall papering. Taping, skim coating all levels, rendering, brown coating, leveling and straight edging. Glazing, wood graining, trompe l'oeil and venetian plaster.
