

Ann Sullivan, Inc

Company Philosophy

Our mission is to transform the way our clients live and work. We are dedicated to helping individuals, families, and professionals manage the often-overwhelming tasks of relocation and organization. We assess unique challenges and create a customized plan tailored to our client's specific goals.

Areas of Expertise/Recent Projects

- Multi-tier move management for NYC client downsizing from 7,000 Sq. Ft. residence of thirty years to 2500 Sq. Ft. UES apartment.
- Prepping client's 8,000 Southampton oceanfront home for summer rental. Included major editing and inventorying.
- Combining multiple residences, including Bedford estate. Involved major scale editing and coordination of resale and donations.
- A-to-Z residential organizing for NYC client, with multiple off-site projects (ex., custom framing, leather furniture restoration).
- Archival albums and digital preservation of client's professional and family history spanning 40+ years.
