

## DoubleGreen Landscape, Inc.

### Company Philosophy

Established in 1991, Double Green landscapes is today a trusted resource for artistic landscape design, installation and maintenance. We work closely with architects, designers and homeowners, creating superior landscapes, which become the signature and personality of the development as a whole.

### Areas of Expertise/Recent Projects

Diversity, flexibility and style is our motto. We take pride in all of our projects. We carefully sculpt each yard to echo the design of the home as well as the unique and individual desires of the homeowner. Tomer Levi, owner, DG Landscapes.
