Company Philosophy

We are builders. We are Partners. We are Innovators and Craftspeople. We embrace, and balance, deep respect for traditional approaches to craft with advanced construction methodologies. Our approach enables the most seamless integration of materials and their assemblies to create a meticulous yet effortless architecture. At Reis, we are changing the project experience for our Clients and advancing the market to a higher standard.</p>

Areas of Expertise/Recent Projects

Apartment and townhouse renovations, additions and structural rebuilds, freestanding houses. Offices in New York, Los Angeles, and Long Island with the ability to work nationally.</ p>
