Company Philosophy

We are a 40 year old, family owned and operated manufacturing business of all natural stone products. We are dedicated to the highest quality and pride ourselves in hands-on experience and old world craftsmanship from our staffed artisans, extensive selections and on time deliveries.

Areas of Expertise/Recent Projects

Our work can be seen in residential homes through out Manhattan New York to Montauk, Long Island. Our commercial projects are in “The Marc”, 260 West 54th St., lobby, reception desk and walls in high quality Onyx; The Sheraton 4 Point in Plainview, NY and The Belverdere Hotel, 319 West 48th St., lobby reception tops and flooring.
Additionally, as members of the Marble Institute of America (MIA) at www.marble-institute.com and the Building Stone Institute (BSI) at www.buildingstone.org we have prudent standards and diligent workmanship which are a daily part of our operations and procedures.
