Company Philosophy

Our team of craftsman have been working with the trade to transform ideas into warm and elegant spaces for over 20 years. We provide a hassle free experience.

Areas of Expertise/Recent Projects

Recently we were contracted for a high-end project, in Manhattan, to take on the responsibility for completing the project on time, within budget and more importantly to satisfy one of the more critical eyes in the decorating business.
Additionally, we teamed with a top designer to collaborate and install an intricate Lizard wall covering, around multiple Field and Style moldings below the Wainscot.
