Victoria Hagan Interiors

Company Philosophy

A recent inductee into Interior Design's "Hall of Fame," Victoria Hagan creates design based on simplicity and comfort. Her work features a refined use of materials, sophisticated color, and strong silhouettes. She combines contemporary and traditional elements creating a timeless environment.

Areas of Expertise/Recent Projects

Victoria Hagan has designed an extensive number of versatile projects throughout the country, from elegant urban residences to casual weekend retreats to innovative corporate interiors. She consistently maintains a ninety percent return rate among her clients. Her current projects include a landmark New York townhouse, a Fifth Avenue penthouse, Colorado and Wyoming ski retreats, several beach houses and country homes.
