

Plaskoff Construction Inc.

Company Philosophy

Plaskoff Construction is known in LA for designing and building homes of prestige and luxury. We go above and beyond; offering a level of service and satisfaction, we believe should be the industry standard.

Matt Plaskoff Construction is a known name in the Los Angeles residential construction industry, not only for his participation on ABC's Extreme Makeover: Home Edition, where he is the Construction Consultant, but for the quality of the homes he builds and remodels for his clients. Plaskoff Construction is a full-service design-build firm that designs, builds, and remodels homes in a multitude of styles including Mediterranean, Contemporary, and Traditional.
