Chris Barrett Design

Company Philosophy

The work of Chris Barrett is routed in two simple thoughts, elegance and comfort. Whether the work speaks of a traditional or modern style, we strive to define each of these languages to address our client's tastes and needs.

Areas of Expertise/Recent Projects

Barrett has recently decorated a Spanish Colonial residence in Santa Monica,California, exquisitely detailed from the custom Malibu tile to the Portuguese bed. Current projects include a modern beach house in Manhattan Beach, California and the former Johnny Carson estate in Malibu, California.
