Amiel & Phillips

Company Philosophy

Amiel & Phillips provides superb paintings, sculptures, drawings, photographs and prints in a broad price range, selected in collaboration with collectors, their architects or designers. Our substantial experience and credibility offers clients an extraordinary wealth of knowledge, sources and know-how in the oftentimes mysterious and opaque art world.

Areas of Expertise/Recent Projects

Brookfield Properties, New York, NY </p>
Acquired contemporary paintings, drawings and photography for the new corporate offices designed by Iu + Bibliowicz Architects. The artists ranged from prominent mid-career and established artists to young contemporary photographers. The large-scale color photographs concentrated on architectural subjects to highlight the company's core real estate business. </p>
Acquired contemporary art for a collector's Aspen home, designed by Laura Hunt. </p>Currently working on an art collection for a new condominium project in Florida; a collection of emerging artists for an architect's Soho loft; a contemporary photography collection for a Florida private collector; and an outdoor sculpture commission for an office tower plaza in New England.
