Company Philosophy

William R. Eubanks' name is synonymous with refined, classic interior design. At the mention of his name, one envisions a comfortable, but timeless, decoration of sumptuous silk and damask fabrics, period antiques of Great Britain and the European continent, rich jewel-tone colors, Flemish tapestries, Old Master paintings, fine porcelains, and Aubusson and Oushak carpets. From the firm he opened in Memphis, Tennessee in 1976, his interior design and antique business has grown to New York and Palm Beach, where he has an elegant showroom at 400 Hibiscus Avenue.

Eubanks has projects throughout the United States and abroad. He holds a B.F.A. in Interior Design. He is an Allied Member of ASID, Associate Member of IIDA, Professional Member of the Institute of Classical Architecture and Classical America, and Member of Shelter Interiors Design Alliance Advisory Board. William R. Eubanks once again participated in Veranda Presents the Palm Beach Red Cross Designer Show House 2007 by designing the dining room of the Ann Norton Sculpture Gardens. On January 24, 2007, Eubanks received the "Star of Design" award from the Design Center of the Americas in Dania, Florida, for the category of Interior Design. He also served as the Keynote Speaker for the Opening Ceremonies of Market Week at the Design Center of the Americas for Veranda in 2006, and again for Shelter in 2007. In December 2005, Eubanks was named one of the top fifty designers in the United States by Elements of Living.
