

## DD Allen Design

### Company Philosophy

Pierce Allen is known for its personal attention to detail throughout the design process. The firm's innovative aesthetic juxtaposes contemporary details with rich texture, resulting in colorful modern interiors. Pierce Allen is committed to collaborating with clients in the design of their space, and the distinct character of each interior is the result of a combined artistic vision.

### Areas of Expertise/Recent Projects

Pierce Allen's projects include a wide range of residential and commercial spaces. Recently completed projects include a 164' Luxury Yacht, an East River triplex and a West Village townhouse. Current projects include an Upper East Side duplex, a 10,00 square foot publishing company headquarters, a South Street Seaport duplex penthouse, and an addition to a house in Los Angeles.
