Company Philosophy

The Hat Factory Furniture Co. is one of Westchester and New York City's premiere cabinetmakers. We combine great design and quality craftsmanship with attentive personal service to provide our clients with outstanding results. Our custom furniture and built-ins bring functional elegance to any space.

Areas of Expertise/Recent Projects

Recent projects include a stunning, modern built-in crafted of tropical wenge for a Park Avenue homeowner, a beautiful home office installation of classic painted cabinetry, and an Arts & Craft's style fireplace mantle.
