Company Philosophy

We are a 30 year old father & son master craftsmen company.
As a fully insured family business, we have a personal interest in every project and provide the necessary follow through. Once you put a project into our hands, you can rely on a professional and timely completion.
Services Include: •All Phases of Protection & Surface Preparation
•Skim Coating & Plaster Finishing
•Wall Cover Installations & High-Quality Painting
•Gold/Silver Leaf, Glazing, Venetian Plaster, Wood Graining & Decorative Finishes

Areas of Expertise/Recent Projects

Paint-Tech has developed an exclusive clientele of socialites, celebrities, contractors, architects and decorators who value Thomas Doran's professionalism and exquisite work.
Projects have been published in shelter magazines such as Elle Decor, NY Spaces and Architectural Digest.
