

Linda Ruderman Interiors Inc.

Company Philosophy

Linda Ruderman-Rosier, president and owner of LRI, Inc., has created interior designs for residential and commercial properties throughout the United States for over 20 years. Her strong background in architecture gives Linda an intimate understanding of the style of interior design suited best for the project along with focusing on scale and proportion which she believes are keys to successful rooms. Continuity, circulation, practicality and suitability for the home complete the ensemble of variables that Linda brings to each of her projects...all with an underlying emphasis on being functional for modern day living. Linda also creates spaces that are perfectly tailored to each individual client.

Areas of Expertise/Recent Projects

Linda Ruderman Interiors is staffed with a team of 10 full time employees. The team is trained in all facets of the interior design business. Linda recently added green design to her list after resourcing and testing products for the past two years. Offering a variety of services from project management to AutoCAD and Internet communication programs the firm is equipped to handle projects of any size.
